

OfficePal C20

Thanks to its fully customizable elements, the OfficePal C20 is the ideal chair for everyday use in the office or for working from home. In addition to the chair height and tilt angle, adjustments are also available for the seat depth, the headrest and the integrated lumbar support. The combination of a mesh backrest and an upholstered seat base ensures an especially comfortable sitting experience even after hours of use.

Features

COMFORTABLE WORKING

The combination of the mesh backrest and the padded seat base ensures comfortable sitting whatever the temperature or humidity.

ERGONOMIC SEATING

In just a few simple steps, the chair height, the tilt angle and even the seat depth of the OfficePal C20 can all be ergonomically adjusted to meet the user's individual requirements.

HEAD AND LUMBAR SUPPORT

To provide optimal assistance for the personal sitting posture, the headrest and integrated lumbar support of the OfficePal C20 can be each adjusted in three different ways.

3D-ADJUSTABLE ARMRESTS

Like the headrest and lumbar support, the armrests of the OfficePal C20 can be adjusted in three ways as well, allowing an ideal position for the arms.

PERFECT HOLD

Thanks to an especially sturdy nylon five-star base and a class-4 gas lift piston, the OfficePal C20 is optimally designed for a load of up to 135 kg.

BIG 60 MM WHEELS

The large 60 mm wheels of the OfficePal C20 provide stability at all times and enable the chair to be moved smoothly and freely around the office desk.
