# Safety Instructions

The device is intended as a headset for use with a PC in dry indoor areas. For your own safety, always follow the instructions below and make sure that the device is not damaged before use. In addition, only use compatible cables and authorized accessories. The manufacturer's guarantee will be void if the product or any installed hardware components are damaged due to improper use or non-compliance with these safety instructions. Should any problems occur with the product, contact our technical customer support at [support@sharkoon.com](mailto:support@sharkoon.com).

- **WARNING!** Permanent hearing loss due to high audio volume. Try to keep the volume as low as possible and take regular pauses from use. If a ringing sound in the ears or other hearing changes occur, seek medical advice immediately.
- **WARNING!** Choking hazard due to small parts. Danger of strangulation. Keep the device and its cabling away from children under the age of 6 years!
- **WARNING!** Risk of electric shock from electrical parts. Keep the device away from liquids!
- **WARNING!** Danger from electromagnetic radiation. If you have a pacemaker, seek medical advice before using the device.
- **WARNING!** Epileptic seizures caused by flashing lights. Only use the device in well-lit rooms or, if possible, deactivate the device's lighting! If in doubt, seek medical advice before use!
