

SKILLER SGH20

The SKILLER SGH20 USB gaming headset offers a stylish design with an alternating illumination and provides a clear audio in all your games thanks to its 50 mm drivers. The soft synthetic-leather ear pads and padded headband ensure a high level of comfort even during long gaming sessions, while a flexible microphone ensures a continuously clear communication with the team.

Features

- HIGH-PERFORMANCE 50 MM DRIVERS**
 Thanks to the powerful 50 mm drivers, the SKILLER SGH20 brings a clear, precise audio for an intense gaming experience.
- SIMPLE CONNECTION VIA USB**
 The SKILLER SGH20 is connected quickly and without complication via USB to any standard PC while always maintaining a high-quality audio.
- MODERN DESIGN WITH RGB ILLUMINATION**
 The SKILLER SGH20 catches the eye with the modern design of its ear cups, which are highlighted by an illumination with automatically changing colors.
- COMFORTABLE EAR PADS**
 The soft synthetic-leather ear pads will adapt perfectly around your ears and offer a high level of comfort, even during long gaming sessions.
- PADDED HEADBAND**
 Like the ear pads, the headband is also designed for a comfortable fit so that your head is always well protected from pressure points.
- FLEXIBLE MICROPHONE**
 To support the clear and distinct transmission of your voice, the bendable microphone of the SKILLER SGH20 can be easily adjusted to the preferred position.
