

SKILLER SGM35

Whether it's for casual gaming or in the realm of eSports, the SKILLER SGM35 is a gaming mouse that stands for accurate performance. This is thanks to its high-performing ATG4090 sensor as well as a left and right mouse button made of nonslip and abrasion-resistant PBT. Moreover, the mouse boasts a stylish design including a transparent underside for an ambient illumination that can be adjusted without any required software.

Features

ACCURATE PERFORMANCE

The SKILLER SGM35 stands for high-precision moves and all-round optimal control due to its high-performing ATG4090 sensor with up to 6,400 DPI in six selectable levels, and also thanks to its five smooth-gliding mouse feet made of PTFE.

HIGH-QUALITY BUTTONS

The main left and main right button of the SKILLER SGM35 are made of high-quality PBT. Both mouse buttons are therefore nonslip, grease-resistant and provide ideal protection against wear and tear. In addition, their robust switches provide a service life of at least 30 million clicks.

SUITABLE FOR ALL KINDS OF GRIP

The shape of the SKILLER SGM35 supports all common grip types and has been specially designed to allow optimal use even for small or very large hands, with all six buttons kept within easy reach.

STYLISH UNDERSIDE ILLUMINATION

The SKILLER SGM35 has stylish illumination thanks to a transparent underside that allows the colors to be evenly spread from under the mouse and provide a particularly eye-catching highlight.

RGB EFFECTS WITHOUT SOFTWARE

All of the RGB illumination effects can be selected using a switch on the underside of the mouse. No software is needed for using the SKILLER SGM35.

Specifications

Product Name	SKILLER SGM35
Color Versions	Black, White
Max. DPI/CPI	6,400
Min. DPI/CPI	400
Sensor	Optical
Chip	ATG4090
Onboard Memory for Game Profiles	✓
Capacity of Onboard Memory	8 kB
Illumination	RGB
Max. Polling Rate	1,000 Hz
Lift-Off Distance	1–2 mm
Frames Per Second	6,000
Inches Per Second	100
Max. Acceleration	20 g
Mouse Feet	5, 100 % PTFE
Weight without Cable	80 g
Dimensions (L x W x H)	125 x 72 x 42 mm
Supported Operating Systems	Windows

Button Properties

Number of Buttons	6
Main Button Switches	Huano
Operating Life Cycles of Buttons	Min. 30 Million Clicks

DPI Properties

DPI Levels	400; 1,200; 2,400; 3,600; 4,800; 6,400
DPI Switch	✓
DPI Indicator	LED

Cable and Connectors

Connector	USB
Gold-Plated USB Plug	✓
Textile-Braided Cable	✓
Cable Length	180 cm

Package Contents

SKILLER SGM35, Additional Set of Mouse Feet
