

Media Reader S and CF

External multi-format card readers

The two external card readers from SHARKOON support the most popular memory card formats and are an essential tool for anyone who regularly transfers data between their computers and digital devices like cameras and MP3-players.

Because of its fold-out USB connector and compact design, the Media Reader S is ideal for mobile use. With its high quality design, the Media Reader CF is designed to look good both in a home office and in the workplace.

An USB cable is included with both models, and various colors are available. We offer the Media Reader S in black or red, the Media Reader CF in black or white.

Features Media Reader S:

- Compact design
- Fold-away USB connector
- Supported card formats: SD, MMC, RS-MMC, MINI SD, MS, MS PRO, MS DUO, MS PRO DUO, M2, T-Flash, SDHC
